Product Data Sheet

18-Device iPad®, Chromebook®, Tablet, and Laptop Cart, Single Frame with Medium Slots and Hinged Door

Basic Features

- Store, secure, transport, and charge any combination of up to 18 Chromebooks, Laptops, Netbooks, or 10" Tablets. This model comes with two removable 9-slot shelves. As your needs change in the future, the carts can be reconfigured by swapping out the shelving for laptops, notebooks, tablets, and e-readers, or a combination of equipment and storage options.

- Single Carts hold more in a smaller footprint while still offering a usable working surface that can serve as a podium or writing surface.

- Cart cycles power via the included UL® approved timer and power strip. Outlets are preset to 15-minute increments and require no customer configuration. Power is provided to one shelf of equipment at a time.

- The always-on user outlet is internal to the cart for maximum safety, keeping users safe from the potential danger of electric shock.

- Ships fully assembled.

- Includes durable all-steel chassis and locking doors for security.

- Vented panels and doors keep equipment cool.

- Cable management bars and power wraps maintain order. Carts can be pre-wired for maximum savings and efficiency.

- Optional drawers and shelves accommodate devices such as DVD players, printers, projectors, and other peripheral devices.

- Two locking/swiveling and two fixed casters (5" heavy-duty) provide unrestricted and easy movement with controlled steering and functionality.

- Users can access devices from the front of the cart, and IT administrators from the back.

- Push/pull handle on cart doubles as a power cord wrap.

- Assembled in the U.S.A.

Overview

The Black Box iPad, Chromebook, Tablet, and Laptop Cart includes three unique benefits:

- The "buy it once own it for life" flexible racking technology allows your cart to change as your devices change.

- The safety first design greatly helps reduce potential injuries or accidents.

- The rapid wiring system reduces the time to deploy by as much as 75%.
