

Product Data Sheet

18- or 27-Device iPad®, Chromebook™, Tablet, and Laptop Cart, Single Frame with Medium Slots and Hinged or Sliding Door, and Intelligent Charging System

Benefits

- The “buy it once own it for life” flexible racking technology allows your cart to change as your devices change.
- The safety first design greatly helps reduce potential injuries or accidents.
- The rapid wiring system reduces the time to deploy by as much as 75%.
- Intelligent charging units reduce energy consumption and detect and charge low battery devices first.

Features

- Store, secure, transport, and charge any combination of up to 18 or 27 iPads, Chromebooks, laptops, or tablets.
- Three removable 18-slot shelves enable flexible configuration.
- Swap out the shelves for laptops, notebooks, tablets, and e-readers, or for other equipment and storage options.
- Single Carts hold more in a smaller footprint.
- A usable working surface serves as a podium or writing surface.
- The always-on internal user outlet keeps users safe from the potential danger of electric shock.
- Includes Intelligent Charging System.
- Includes durable all-steel chassis and locking doors for security.
- Vented panels and doors keep equipment cool.
- Cable management bars and power wraps maintain order.
- Optional drawers and shelves accommodate DVD players, printers, projectors, and other peripheral devices.
- Casters (5" heavy-duty) provide unrestricted and easy movement with controlled steering and functionality.
- Ships fully assembled.
- Users can access devices from the front of the cart, and IT administrators from the back.
- Push/pull handle on cart doubles as a power cord wrap.

Why Black Box

- Black Box is one of the leading providers of carts and lockers in the world. Founded in 1976, Black Box is publically traded and does more than \$1 billion in annual sales.
- Every cart includes our lifetime, no-questions-asked warranty (electronics three years). It covers just about everything and includes accidental damage. We don't hide behind limited liability warranties that cover very little.
- Black Box offers a wide selection of standard and custom cart solutions. Black Box has extensive production capacity and maintains large inventories for immediate shipments.
- Ruggedized, heavy-duty carts are guaranteed to last a lifetime. Black Box carts are the heaviest and most durable carts on the market.
- Our carts give you the best value and lowest lifetime cost based on life-use expectancy.

18- or 27-Device Cart with Intelligent Charging System Data Sheet

Features

Standard rack mounting allows greater flexibility.

UCCSM-12-36H has hinged door with handle.

Power brick lacing stores power bricks easily and neatly (medium- and large-shelf models only).

Durable push/pull bar and power cord wrap.

Rackmounted shelf with rolled stainless steel device slots that help prevent scratches.

Locking rear access panel.

Cable managers open easily for fast cable routing.

Laminate top provides extra working space.

Optional Features

Optional integrated pop-up power port for maximum safety.

Optional drawers and shelves available.

Standard Features

UCCSM18T-ILC or UCCSM27T-ILC "pinchless" sliding door saves space.

SDILCU4 Intelligent Charging System is easy to use—press one button to start charging.
